

American Lincoln Part

American Lincoln Part - Presently linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning equipment. In the business they are known within the industry as providing strong and durable equipment which suits all the requirements of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide through authorized distributors, direct Government sales and national accounts.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These types of scrubbers are on the market under the brand name "Encore". American Lincoln can provide components, warranty service and equipment for these kinds of scrubbers which have both the Encore and Clarke logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where results and efficiency make a difference. Recently, this particular floor scrubber model has been requested by the architects in new construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors utilize this particular sweeper scrubber on site because of the model's supreme performance level and high standard of quality for polishing concrete.
