

Genie Forklift Part

Genie Forklift Part - Genie Industries prides itself with the belief of lifting clients and materials higher, extending beyond the products they design. A worldwide business that is deeply tied to their consumers and enjoys reflecting the spirit of relationship with all they achieve. Genie Industries strives to help clientele erect their business no matter how large or small the level of undertaking may be.

In 1996, with the introduction of the Genie Hoist, which is a pneumatic, portable material lift spawned the beginning of Genie Industries. A series of aerial work platforms and additional material lift trucks followed to satisfy customer demand. These innovative products secured global recognition and established modern product design.

Genie Industries is at this time a subsidiary of Terex Corporation. Preserving leading quality manufacturing and uncompromising service and support are among their top priorities. With clients from Helsinki to Hong Kong and Denver to Dubai requesting the distinctive blue coloured lifts on the jobsite, the business is assertively grounded in their exceptional customer service and values. Acknowledging that their customers are their greatest motivation, the team at Genie Industries are individually committed to delivering expertise and maintaining customer rapport.

The trustworthy staff is fully committed to greener, more environmentally practical solutions to advance the goods that customers want. Genie Industries focuses on "lean manufacturing" practices in order to help minimize waste while providing very high quality forklifts in the shortest time period at the lowest possible expense for the consumer. The team at Genie Industries is proud to serve the industry and this is reflected in every creation they produce. Always inviting consumer contribution helps them to produce and cultivate modern new products that are simple to service and use, deliver optimum value-for-cost and satisfy international standards. Thriving on consumer feedback allows Genie Industries to continually evolve and meet the consumers' needs.
