

Trek Parts

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to offering new design concepts and top quality so as to meet the diverse needs of their customers.

TREK Cleaning Machines continually provides fresh design ideas as shown in their product development. They enjoy offering items which energize both their dealers and their partners and offer production gains to their customers.

The TREK team of staff likes new tasks and new challenges. They are really proud to introduce its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the understanding of operators' skills and needs along with their understanding of cleaning applications, along with owners' strong desire to considerably lessen cost through productivity gains.

When required, the personnel within TREK and its several dealer members in both parts and in technical support would be available. Amongst their core values is their high service devotion in their customer service. Keeping their clients' cleaning equipment working and ready day after day is top priority. The company's top of the line technology delivers dependable machinery which ultimately lessens your cost of cleaning. The price, the service and the product all work as one so as to make them an industry leader.
